

## Sponsor The Recorder's First Annual Dessert Picnic

On **Sunday, September 27, 2026**, from **1:00–4:00**, The Recorder will host its **First Annual Dessert Picnic**, a sweet community event bringing together home bakers, local businesses, and dessert lovers from across Northern Westchester.

### About the Event

The Dessert Picnic invites home bakers to share their favorite homemade desserts in a fun, picnic-style afternoon at the **Bedford Hills Park Pavilion**.

#### Here's how it works:

- Home bakers register in advance and submit their favorite recipe, which will be compiled into a digital recipe collection for all participants after the event.
- Registration is **\$20** and includes the baker and guests. (Non-bakers are invited at \$30.)
- Each baker brings enough of one homemade dessert to provide 8-10 servings.
- Every group gets a Dessert Picnic box and selects 8 desserts prepared by fellow bakers.
- We'll provide the boxes, utensils, and napkins.
- Attendees bring a blanket or chairs and enjoy an afternoon of delicious desserts & community.

In addition to the home baker exchange, professional bakers and dessert vendors will offer free samples and desserts for purchase. Beverages, entertainment, and family-friendly activities will make this a memorable community event.
